TESTING DATA 21 FEB

The screenshot displays the Deskpro web application interface. The top navigation bar includes the Deskpro logo and a search bar. The main content area is titled 'Arto 21 geb ch...' and features a sidebar with navigation links for 'PUBLISH', 'COMMUNITY', 'CONTENT', 'COMMENTS', and 'DRAFTS'. The 'CONTENT' sidebar lists various content types and their counts: Knowledgebase (119), Default (118), Brand 30/04 (1), News (100), Files (147), and Guides (236). The 'COMMENTS' sidebar shows 0 unpublished comments and 2 all comments. The 'DRAFTS' sidebar lists 8 my drafts, 163 all drafts, and 1 pending article. The main editor area is titled 'Arto 21 geb ch...' and contains a table with columns for 'Content', 'Created', and 'Comments'. The table lists various content items, including 'Knowledgebase', 'Default', 'Brand 30/04', 'News', 'Files', and 'Guides', along with their creation dates and comment counts. The editor also includes a 'Paragraph' section with a rich text editor and a 'Comments' section with a list of comments.
