The screenshot shows the 'Incoming Email Log' interface in the CloudQAtest application. The interface includes a search bar, a filter dropdown, and buttons for 'Sort', 'View', 'Live updates', and 'Refresh'. Below these controls is a table with columns for 'n', 'IP', 'Host', 'To', 'Account', 'Subject', and 'Ticket'. The table contains several rows of email log entries. At the bottom right, there is a pagination control showing 'Rows per page: 100 - 1:72 - of 72'.

n	IP	Host	To	Account	Subject	Ticket
n <tester.desk12@gmail.com>	209.85.216.43	mail-pj1-f43.goo...	encodi...	encodingissues@cloudqatest.desk...	test mail	17112
